If you haven't played the course in a while, we invite you to visit us.....the course is open to all golfers. You'll be received with a heartfelt welcome and our usual friendly service with golf, food and beverage all at affordable prices. Pezula is an experience not to be missed.

Our Facilities

When you play Pezula you have access to our many great facilities including the Clubhouse with its vast terrace which has panoramic views across the course to the Indian Ocean; the Golf Shop, which stocks all the top brands and latest ranges of clothing and gear; the Club bar and restaurant, which serves a delicious all-day menu; the spacious, luxury locker rooms; and the Halfway dining area. There's also a short game practice facility and putting green. The Clubhouse is the perfect venue for conferences and meetings and is ideal for weddings and company functions.

Relaxed Ambience

We are proud to say that we have been voted one of the country's Five-Star Golf Experiences by Compleat Golfer for four years in a row. The relaxed atmosphere along with our friendly and informal staff who are passionate about golf and always eager to please, ensure that Pezula Club is always welcoming. Our Club is a place where members and guests can feel at home and enjoy themselves.

Course Condition

The course is in superb condition, with much work being done to ensure playability all year round, including the introduction of extra drainage, new tees, and more drought resistant grasses. The cool season grasses allow all types of golf shots to be played and rewarded and lend themselves to the ultimate golfing experience.

New Club Restaurant Menu

Our delicious new menu is served all day and includes scrumptious breakfast and lunch options at excellent prices from as little as R30. Our new build your own breakfast is particularly popular as are our famous burgers! Snacks, salads and light meals include mini sirloin kebabs or vegetable spring rolls, toasted sandwiches, fish & chips, steak, egg & chips, Caesar salad and a selection of desserts.
